

Apple Pay Card Activation / Enrollment

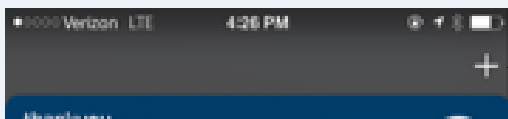

This document provides a guide to add your OCSB debit card to Apple Pay on your iPhone 6/6 plus/or newer.

1. Select the “Wallet” (formerly called Passbook) application icon from iPhone 6/6Plus/or newer

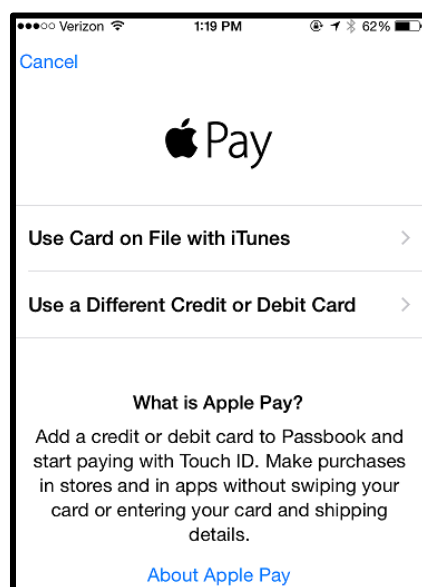

Passbook Icon
or Wallet Icon

2. Select the “+” sign, upper right corner of screen, to add cards to passbook

Add a Credit or Debit Card

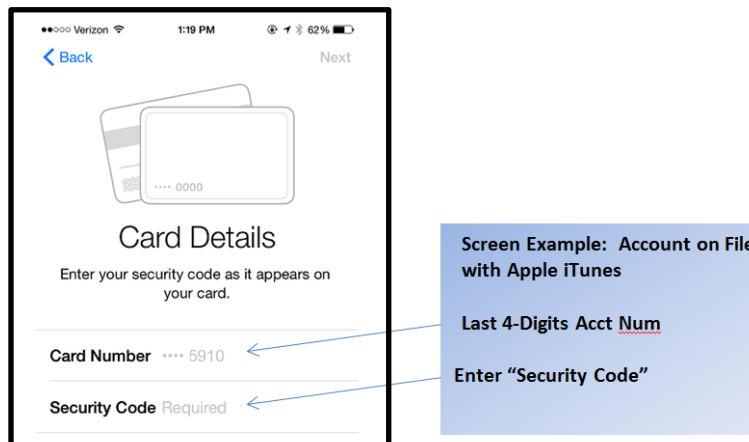

3. If your OCSB Debit card is the card on file with Apple iTunes
Select “Use Card on File with iTunes.”
If not, then Select “Use a Different Credit or Debit Card” option

4. Three Ways to Enter Account Information:

a. Account on File with iTunes

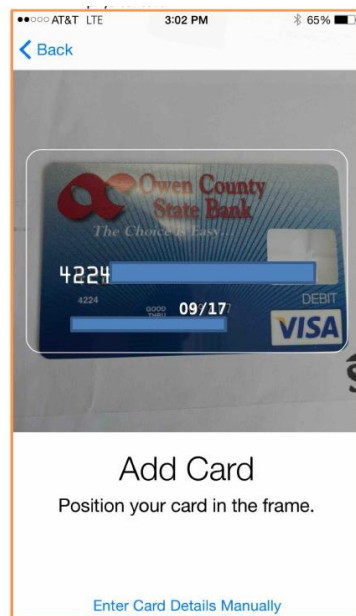

- i. If the “Use Card on File with iTunes” option was selected in the previous step:
- ii. iTunes “Card Number” on file, last 4-digits, will pre-populate
- iii. Customer must enter the “Security Code” (aka CVV2/CVC2) printed on back of the physical card

b. Camera Scan the Account Information

If the “Use a Different Credit or Debit Card” option was selected in the previous step, the customer can:

- i. Use the “camera” feature to scan the front of the card
- ii. Customer must enter the “Security Code” (aka CVV2/CVC2) printed on back of the physical card

c. Enter the Account Information

If the “Use a Different Credit or Debit Card” option was selected in the previous step, the customer can enter:

- i. Credit or Debit Account Number
- ii. b. Expiration Date
- iii. “Security Code” (aka CVV2/CVC2) printed on back of the physical card

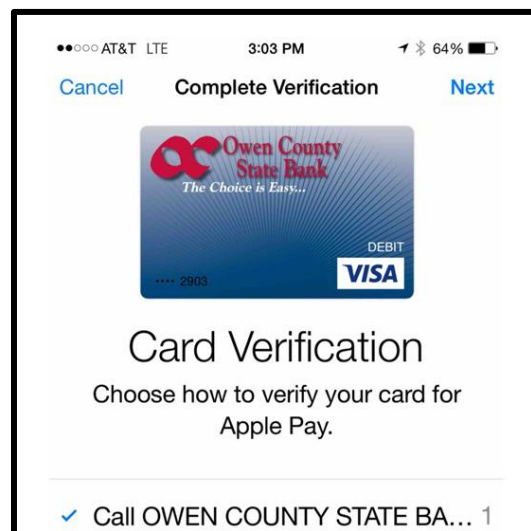

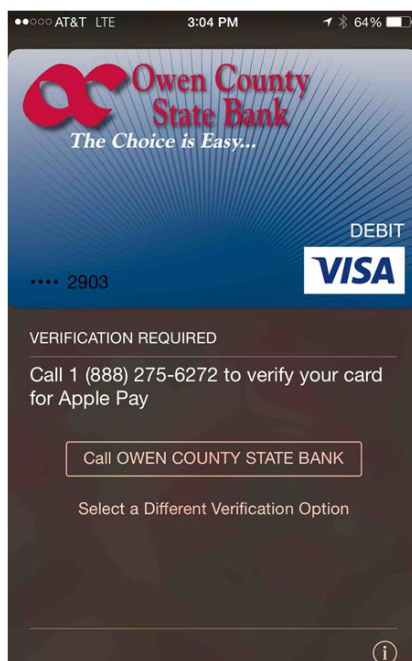

The screenshot shows a mobile app interface for entering card details. At the top, there are navigation links for 'Back' and 'Next'. The title is 'Card Details' with the instruction 'Verify and complete your card information.' Below this are input fields for 'Name', 'Card Number', and 'Expiration Date' (which is pre-filled with '09/17'). A 'Security Code' field is labeled 'Required' and has a numeric keypad below it. The keypad includes digits 1-9 and 0, with letters ABC, DEF, GHI, JKL, MNO, PQRS, TUV, and WXYZ associated with digits 2-9 respectively. There is also a backspace icon.

5. Issuer’s Digital Wallet Terms and Conditions screen is displayed

6. Select the “Agree” option

7. Verification Process

- a. After selecting “Agree” your OCSB Debit Card will be verified for usage on Apple Pay.

8. Ready for use

- a. OCSB's Card Art appears
- a. Screen displays the account is "ready for Apple Pay"
- b. Select "Done" option.
